A BRIEF HISTORY OF THE ROBERTSON SHOW

1878 The Society had its humble beginnings in 1878, with the founding, by the farmers in the Robertson, Burrawang, Kangaloon and Wildes Meadow districts, of the Burrawang Farmers Club. This was formed to basically act as a community support group in the absence of local government bodies: to lobby for proper roads, a police force, and possibly a rail link for the growing farming community. This club met on the Thursday night closest to a full moon to enable members to travel to meetings through the bush with the benefit of the moonlight, and one marvels at their tenacity when we find it hard to attend meetings in the middle of winter with our warm, weather proof, four-wheel drive vehicles! How did they cope on nights when the moon was obscured by clouds, fog or rain (or all three) which is not unheard of in this area.

1879 The idea was mooted to conduct an Agricultural Show, the club changed its name to Burrawang and West Camden Agricultural Society and plans were made to hold their first agricultural show.

1880 On Wednesday 21st and Thursday 22nd of April 1 the first show was held on a flat piece of land in Dale Street, Burrawang, and rain fell on the first day with attendances estimated at 1600 and 2000 respectively. (nothing much has changed!)

1881 The second show was held at Moss Vale to allow for the use of the large public hall.

1882 Back to Burrawang for the third show on April 12th & 13th

1883 The fourth show returned to Moss Vale on the 11th & 12th April

1884 The fifth show held on 6th & 7th March at Burrawang was held over three days and prize money was offered for the first time. £45/8/- (equivalent to $90.80) was divided between – Horses £20/16/-, Cattle £14/16/-, Butter £10, School exhibits £5/1/6 and Plain and Fancywork £4/4/6.

1885 No show was held this year because of ill feeling arising from a dispute as to where the showground should be located - Burrawang, Wildes Meadow, or Robertson.

1886 It was voted that the sixth show be held at Robertson, and the Robertson Agricultural Society came into being. The show was held behind the School of Arts building in Hoddle Street on 31st March and 1st April.

1887 The seventh show was held again at Robertson on 30th & 31st March, in its current location. WR Hindmarsh and seven other men were appointed trustees for the new Robertson Showground and WR Hindmarsh Jnr was elected as a committeeman that year. On 1st October of that year Mr William Rutter Hindmarsh Jnr leased 10 acres of his "Alnwick" property to the Robertson Agricultural Society for ten shillings an acre per year (approx $10) for 21 years and the site has since become the Show's permanent home. The Hindmarsh Family has been involved with the Robertson Show almost since its inception as the Burrawang Farmers Club in 1878. WR Hindmarsh Snr was one of the first selectors to take up land in the Robertson area in 1862 and worked tirelessly for the benefit of the community. At the fifth annual show held at Burrawang, Hindmarsh brothers were mentioned for the first time as prize winners with their coaching and draught horses and the Hindmarsh brothers again won prizes for their horses in 1887.

1888 By the eighth show on 27th & 28th February the Hindmarsh's were well into exhibiting, taking out prizes for their horses in the coaching, draught and miscellaneous classes, as well as for pigs, poultry, and potatoes.

1889 William Hindmarsh Jnr (always known as "WR") was elected Treasurer.

1893 First elected in 1893, WR was the longest serving President of the Robertson A & H Society, holding that position for a total period of 33 years! He stood down in 1914-1915, took office again until 1923, then, after another interval carried on until 1938.His sons AW, AJ and SR Hindmarsh all served as committeemen and were all cattle stewards and exhibitors. Michael Evans Hindmarsh, brother of WR, served as President for the year WR stood down in 1914-1915, and was a long-time member of the Society.

1919 the show was not held due to the pneumonic influenza pandemic (Spanish Flu)

1942 &1943 Both shows were cancelled as the show grounds were occupied by Army Units during the Second World War

1944 the show was reinstated and held as a one day event

1956 A special train came to Robertson from Sydney for day two and the Dairy Farmers' Co-op sold milk at the show for the first time

1969 The first potato carrying race was run and restricted to residents of the Berrima District

1970 The Potato Race became an Open event with a special prize going to the first Berrima District resident to cross the finishing line. and was

1977 The Show was held but soon abandoned due to rain – eight inches had fallen up to and including the Friday show day

1980 The new pavilion (since named the Hindmarsh Pavilion in recognition of the huge involvement since the beginning of the Society of the Hindmarsh family and their descendants) was opened

1979 The Show's Centenary Year was the impetus for the first Showgirl Competition and attracted nine entrants, the winner being Miss Rosalind Bresnehan, a local Avoca girl, who subsequently went on to compete at The Sydney Royal and gained 2nd place in the State

1996 The showground was used in the filming of Babe

1997 Due to a need for more entertainment the Night Show was instigated with a highly successful Demolition Derby

1998 Wilf Schofield Cattle Pavilion was opened. Wilf, a grandson of WR, served as President of the Show Society for 17 years and was instrumental in the construction of the new pavilion. The Junior and Women's potato races were begun

2008 After one of possibly longest reigns ever, Dr Ros Bresnehan handed over her Showgirl title to Amy-Kate Tilley. Robertson had not held a Showgirl Competition since its first and only event in 1979.

2019 is 140 years old, having held 136 shows and this year we celebrate the 50th year of the Championship Open Potato Race

These interesting facts and many more are all recorded in the extremely interesting book "Winds of Change", which, although it is primarily a history of the Robertson Show, also details much of the history of our district and we urge you to read this fascinating book, available from the Show Office

The 23rd Annual Robertson Show Society Pasture Competition was judged over 2 days on the 22nd & 23rd October after a very dry previous 12 months. Entries were looking very limited until much needed rainfall arrived just 2 weeks prior to judging. This brought on a much-needed flush in pasture growth. Following this rainfall a record number of 79 paddocks were entered across the 5 categories from 36 properties across the Wingecarribee Shire.

Judges Alex and Daniel were extremely impressed with the quality of pastures presented for judging making their job very difficult with point scoring finishing very close.

All farmers who took time out of their busy schedules should be commended on the quality of their pastures presented for judging. The quality of these pasture indicates there are many farmers in the local area using the latest best management practices to achieve excellent results after some very tough seasonal weather conditions over the past 12 months.

The Robertson Show Society sincerely thanks our sponsors for their wonderful and generous support with prizes and donations valued at over $8000 and strongly encourages members to use the services of these businesses.

Thanks to Georgia Sherborne and Scott Duffy for joining the Pasture committee this year, your input and help was invaluable and very much appreciated.

Anyone interested in being involved in organizing the Annual Pasture competition should contact the Show Society. New ideas and personnel are always good to keep an event such as this progressing. (Michael and Trevor would like to retire!!)

Thanks to the Pasture committee for all their hard work putting together this competition.

SPECIAL PRIZE: $300 to First Berrima District Competitor to finish (Must be a resident of Wingecarribee Shire)

The Robertson Show Society & The Potato Race Committee thanks the following Donors for their generosity & support:
RA Spratt, Robertson Farm Machinery, McKillop Property, Robertson, Dirty Janes Bowral & Mrs Terry Hunt

A Short History of the Australian Championship Potato race

The annual potato race was founded following a decision at the meeting in November, 1968. The meeting decided to run a potato carrying race at the 1969 show, the event to be restricted to residents of the Berrima District. The success of this event led to it being made an open competition with many entrants being workers from the Sydney Markets, therefore, a special $50 prize for the best performance by a Berrima District Resident was introduced.
Mr Stan Hunt, from the Sydney markets, was a great supporter of the Potato Race for many years and the tradition has been carried on by Mrs Terry Hunt**.** Robertson Show recognises his involvement with the naming of the Womens' race, as the Stan Hunt Memorial Ladies Potato Race

The Potato Race quickly became a popular attraction to the show, with widespread interest and the 1972 race was won by a competitor from Orange. *"A runner from Orange won the now famous potato race for the third successive year and Norman Gair of Fitzroy Falls finished second for $50 in prizemoney, plus $50 for being the first local competitor past the post"*

By 1975 the prize money had increased to $245, with contestants from many parts of the state competing. The 1976 show was held under seemingly "normal" conditions for Robertson of rain and fog, with the 15 entrants having a tough race, which was won by Ron Thomas of Albion Park, ahead of Wilf Whatman from Mittagong

The Winds of Change only goes as far as 1979 but the potato race book from 1992 is in our archives. Between these years Ladies and Juniors races were introduced and prize money raised to today's levels.

Shane Whatman from Mittagong was a notable potato "racer" with 6 straight wins from 1996 to 2001, with another win in 2003 and second to Ian Hindmarsh in 2004. The fastest men's time on record was from Ricky Garrard, 1.20.24 but even faster was Sally Vaughan with a blistering 1.20.00, although slightly less handicapped carrying a weight of 12.5kgs as opposed to 50kgs for the men.

COMPULSORY RECIPE:

Recipe: 250g (8oz) sultanas; 250g (8oz) chopped raisins; 250g (8oz) currants; 125g (4oz) chopped mixed peel; 90g (3oz) chopped red glace cherries; 90g (3oz) chopped blanched almonds; ⅓ cup sherry or brandy; 250g (8oz) plain fFlour; 60g (2oz) self raising flour; ¼ teaspn grated nutmeg; ½ teaspn ground ginger; ½ teaspn ground cloves; 250g (8oz) butter; 250g (8oz) soft brown sugar; ½ teaspn lemon essence or finely grated lemon rind; ½ teaspn almond essence; ½ teaspn vanilla essence; 4 large eggs

Method: Mix together the fruits and nuts and sprinkle with sherry or brandy. Cover and leave for at least one hour, but preferably overnight. Sift the flours and spices, cream butter and sugar with the essences. Add eggs one at a time, beating well after each addition, then alternatively add fruit and flour mixes. Mix thoroughly. The mixture should be stiff enough to support a wooden spoon. Place the mixture into a prepared tin, no larger than 20cm (8 inches) and bake in a slow oven for approx. 3-4 hours. Allow the cake to cool in the tin.

Note: To ensure uniformity and depending on size, it is suggested raisins be snipped into 2-3 pieces, cherries into 4-6 pieces and almonds crosswise in 3-4 pieces.

WOOLEN ARTICLE/GARMENT STATE COMPETITION

Competition to be Conducted at Society, Group & State Level

Sponsored by the Brewer Family in memory of Ron & Dorothy Brewer.

Group judging to be held Monday 11th March 2019 at Berry

THIS WILL NOT be a separate class at Robertson Show (see rule 10) – there are classes suitable for eligibility in the various sections whereby exhibits may be selected for entry into this competition at Group Level

CLASS: THREE DIFFERENT TYPES OF WOOL ARTICLES AND/OR GARMENTS

CONDITIONS:

1. For the purpose of this competition the following definitions apply:
   a) **Garment**: an item that can be worn e.g. dress, jacket, scarf, hat
   b) **Article**: a utility item that isn't worn but can be used in the home eg blanket; with an outfit eg. bag; for amusement eg. toy; decoration eg. picture etc.
   c) **Three Different Types:** the 3 items in an entry must differ from each other in terms of their construction technique and/or their purpose eg.1 a knitted jumper, blanket and tea cosy OR eg.2 a knitted tea cosy, a crocheted tea cosy or a felted tea cosy OR eg.3 a knitted jumper, a knitted blanket and a crocheted blanket.
2. The **whole** article and/or garment must be constructed of, and contain a minimum of, **80% wool**.
3. Exhibits (articles/garments) may be knitted, crocheted, sewn, felted etc and must be hand crafted (use of sewing machine is permitted).
4. **A sample of the yarn, fabric or fibre with label must be attached to each item making up the exhibit.** If a label is not available such as in the case of a hand spun or felted item, a handwritten label with relevant details and sample will suffice.
5. An exhibit in this competition may consist of the work of one individual or a group of individuals, or an organization.
6. All three article/garments must have been completed within the 12 months prior to the local show and made by the exhibitor/s.
7. An exhibit having won at a local show may be exhibited (the same three article/garments) at the Group Final. The winning exhibit at the Group Final is then eligible to compete in the State Final.
8. An exhibit is only eligible to represent one Society at Group level and one Group at State level.
9. An exhibit (article/garment) that has previously competed at Group level is not eligible to compete again.
10. **If this class is not scheduled** or attracts no entries at a local show, the Chief Pavilion Steward in consultation with the appropriate Pavilion Section Judges, may select three suitable individual exhibits and, with the exhibitors' permission, enter them in the Group judging as an exhibit representing the particular Society concerned.
11. It is the responsibility of the Group Secretary and winner to co-ordinate the transfer of the winning entry to the ASC Office in Sydney for the State judging.

Rules as at 22 February 2017

SOME CLARIFICATION AS TO THE ROLE OF COMPUTER ENHANCING OF PHOTOS
No techniques that add, relocate, replace or remove pictorial elements except by cropping are permitted. Techniques that enhance the presentation of the photograph without changing the nature story or the pictorial content, or without altering the content of the original scene, are permitted including HDR, focus stacking and dodging/burning. Techniques that remove elements added by the camera, such as dust spots, digital noise and film scratches, are allowed. Stitched images are not permitted. All allowed adjustments must appear natural.
CREATIVE/ALTERED REALITY DEFINITION An image created in the author's imagination beyond what is seen through the camera's lens. This includes set up scenes, zoomed photographs, double exposures, etc, as well as images manipulated in various computer software programmes. The final result must be all the photographer's own work, including the original image.
If in any doubt as to these rules please phone the show office.

I had written him a letter which I had, for want of better
Knowledge, sent to where I met him down the Lachlan, years ago
He was shearing when I knew him, so I sent the letter to him,
Just "on spec" addressed as follows, "Clancy, of The Overflow".

And an answer came directed in a writing unexpected,
(And I think the same was written with a thumb-nail dipped in tar)
'Twas his shearing mate who wrote it, and verbatim I will quote it:
"Clancy's gone to Queensland droving, and we don't know where he are".

A B "Banjo" Patterson – Clancy of the Overflow

The Stewards of Sections 25 and 26 wish to thank all Parents and School Staff who, with their guidance and encouragement, help us to mount such an outstanding display of their children's work. Our reward each year is to see so many smiling faces.

Thank You

DONORS & SPONSORS OF ROBERTSON SHOW SOCIETY, 2018 – 2019

The Robertson Show Society sincerely thanks all our generous donors. To the best of our knowledge and ability all our supporters, donors, sponsors and volunteers are listed. We regret any omissions and are most happy to correct this. Without support we would be unable to provide so many prizes, trophies and ribbons. Many donations are in time and effort during the year and at Show time; without these there would be no show. Our aim is to promote Rural Excellence and to encourage the involvement of our community, rural and urban, and promote the participation and growth of our youth. The Robertson Show Society is very proud of the generous support and involvement of our community. ***THANK YOU ALL***
